

Cut out all of the yellow weapon slots. Please note:  
 There are weapon sets in both the MMiP#40 and #41  
 downloads, so be sure to get them both at:  
[www.onemonk.com](http://www.onemonk.com)

Before you begin, see the included  
 SCORING guide for the areas you need  
 to score for folding. SCORE all lines  
 before cutting out.
